

PORTA FRAME E BOISERIE

CI - 29/MAIO/26

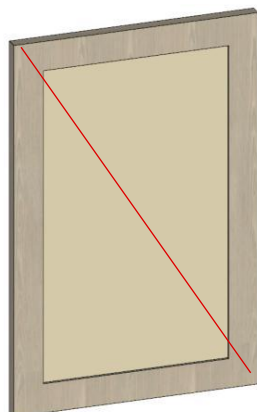

Prezados,

Informamos que as portas Frame e Boiserie passarão por mudanças em sua estrutura, que era usinada e passa a ser com molduras. Desse modo, será mantida o acabamento em lâmina de madeira apenas no painel central, não sendo mais utilizada na moldura desses modelos. Além disso, comunicamos que o modelo Frame não poderá mais ser fabricado com almofada.

FRAME AND BOISERIE DOORS

CI – 29/MAY/26

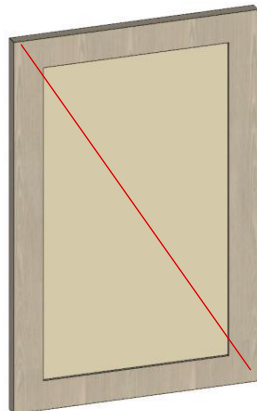

Dear all,

We inform you that the Frame and Boiserie doors will undergo changes in their structure, which now has frames. In this way, the wood veneer finish will be maintained only on the central panel, no longer being used in the frame of these models. In addition, we communicate that the Frame model can no longer be manufactured with a “cushion”.
